Liquid Cooled

**LENGTH / WIDTH / HEIGHT / WEIGHT**
2235mm / 765mm / 1350mm /

**SEAT HEIGHT**
755mm

**GEARBOX**
Automatic

**TANK CAPACITY**
13.5 Ltr

**More colours available**

# £6,599

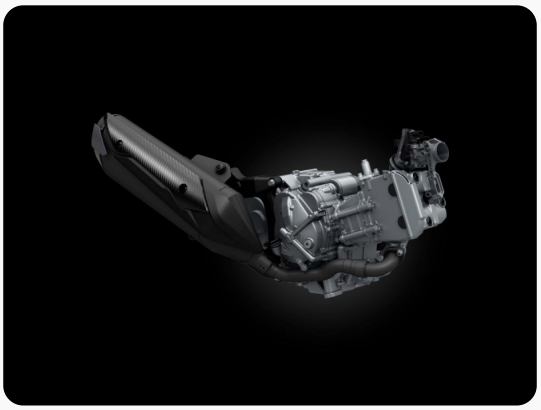

**+ OTR**

# BURGMAN 400 FEATURES

## Feature 1

Along with the increase in low-to-midrange torque production, the efficiency of the new engine, including the introduction of an iridium spark plug, combines with the reduction in weight to achieve improved fuel economy

## Feature 2

The 400cc liquid-cooled, four-stroke, DOHC, single-cylinder, fuel-injected engine produces greater low-to-midrange torque and more powerful performance, even when riding tandem

## Feature 3

Security technologies help to protect your Burgman 400. The Suzuki Advanced Immobiliser System (SAIS) uses an electronic identification system in the owner's key to prevent unauthorised people from starting the engine

## Feature 4

Chain lock gate allows you to pass a chain through the bodywork, then around a pole or other immovable object. Located on the same side as the ignition key, the easy-to-operate brake lock lever applies a lock system that acts on the rear brake when parked

# BURGMAN 400 FINANCE

Flexible payment options to suit your budget
